Dear Parents,

Create Academy is funded, in part, through Title I programs by the State of Arizona. We apply these funds school-wide to enhance and improve the instructional and socio-emotional climate in our school. One of our overall goals this year as a school is to facilitate greater levels of parent engagement and inclusion. For example, we started a Parent Support Group and I host monthly meetings called “Coffee with Kelly” to discuss topics relevant to parenting and school.

In January we will host a special meeting to give an overview of what it means to be a Title I school and to discuss ways we hope you will be involved as parents in the educational process. These meetings will precede a series of curriculum nights where your teachers will discuss their ongoing academic plans for your children based on our data analysis through benchmark testing and anecdotal observation.

Meeting times:

January 24th, 6:00 p.m. at Create Academy

January 25th, 8:00 a.m. at Create Academy

Sincerely,

Kelly Horn
Principal
